RE: MTC TIP Revision No. 2015-20 – Administrative Modification

Dear Mr. Aljabiry:

Please be advised that MTC recently made several changes to the 2015 Federal Transportation Improvement Program (TIP). TIP Revision No. 2015-20 revises 8 projects with a net decrease in funding of \$80,000. Among other changes, this revision:

- Updates the funding plan of seven Highway Bridge Program (HBP) funded projects to reflect the latest information from Caltrans; and
- Updates the funding plan and back-up listing of the Pavement Resurfacing and/or Rehabilitation on the State Highway System – Highway Maintenance grouped listing based on the latest information from Caltrans.

The administrative modification is financially constrained by year and MTC relies on the State's programming capacity in the amount of approximately \$1.6 million HBP funding.

The TIP revision entries have been emailed to your staff. MTC's 2015 TIP, as revised with Revision No. 2015-20, remains in conformity with the applicable State Implementation Plan (SIP) for air quality and the revision does not interfere with the timely implementation of the Transportation Control Measures contained in the SIP and the TIP remains financially constrained by year.

The projects that are included in this administrative modification are not included in any other amendment that is open for public review. MTC's 2015 TIP, including the proposed Revision No. 2015-20, is consistent with metropolitan transportation

planning regulations per 23 Code of Federal Regulations Part 450 and conforms to MTC's Regional Transportation Plan (Plan Bay Area).

Under the delegated authority received from Caltrans, I approve this administrative modification to the Federal Statewide Transportation Program (FSTIP). This revision is consistent with the approved Administrative Modifications/Amendments Guidelines and Procedures.

If you have any questions regarding this revision, please contact Adam Crenshaw of my staff at (510) 817-5794.

Sincerely,

Alix A. Bockelman  
Deputy Executive Director, Policy
