Submitted on Tuesday, July 14, 2020 - 5:23 pm
Submitted by anonymous user: 76.226.165.202
Submitted values are:

Name: mike cluster
Email address: [REDACTED]
County of residence: Contra Costa
Comment:

- 1) Increase public transit frequency, continue grants for free transit
- 2) More commercial development in downtown areas & near public transit in Contra Costa
not just housing, esp not just market rate housing
- 3) More pedestrian access by not keeping gates locked & possibly allowing pedestrian walkways along freeways
