Hi Adam and Anup,  
I'm working with Adam to make sure we understand the Plan Bay Area TIP amendments we've been asked to implement.

Can you confirm that the SMART Petaluma Infill Station is included in Plan Bay Area 2050? We have submitted an Affordable Housing Sustainable Communities grant request today to fund construction of the Station and that application is on the MTC PAC endorsement list tomorrow. The funds are state only to be matched with other non-federal funds.

Also, do you have a detailed procedure for seeking amendments to the TIP/Plan Bay Area 2050 that you can share?

Thanks,

Joanne Parker
