Re: Bay Area 2040

Dear ABAG/MTC Board Members,

I am writing to you to express my concerns regarding the Bay Area 2040 Plan. I have the following concerns:

1. I am opposed to toll roads in general as they are economically unfair. More specifically, making Highway 37 a toll road will impose a significant burden on Solano County and mainly my middle-class constituents. Making Highway 37 a toll road will increase the costs of goods and services that rely on Highway 37.
2. Solano County lacks reliable and affordable public transportation to either the San Francisco Area or the Sacramento Area. I would like to see these issues improved.

Sincerely,

A handwritten signature in cursive script that reads "Monica Brown".

Solano County Supervisor, District 2.
