Hello, I am calling on the Association of Bay Area Governments to do their duty and — at the very least — plan to make the Bay Area more affordable and reduce overcrowding by planning for sufficient housing production. Please appeal to HCD for a more realistic target to meet our region's needs. We were in a housing availability, affordability, and crowding crisis before COVID hit and the pandemic's health and economic impacts will only continue to exacerbate these issues.

Please do your duty.

Thank you,  
Sarah
