**Subject:** Support for Richmond/San Rafael Bridge Access Improvement Project

I support this this project for the richmond bridge access because I knew the man who died trying to get to point molate.. It was such a shame and only happened because there was no other way to get to the area. It was on the last day of a trip to visit his old friends in Bay Area and left two daughters, his wife and mother grieving. It should be built in his memory.. Danny Weinstein.
