Metropolitan Transportation Commission

Dear Ms. Nguyen and the Metropolitan Transportation Commission,

I am writing in support of adding the Richmond-San Rafael Bridge Access Improvement Project to Plan Bay Area and to the 2015 Transportation Improvement Program. It should not take forever to open a third lane on this bridge, especially since there has been a third lane there for years.

By prioritizing the re-opening of the third lane on the Richmond-San Rafael Bridge during peak evening commute hours, we will make a big difference in cutting traffic, reducing air pollution, and improving the quality of life in the North Bay.

Thank you.
