Subject: Richmond-San Rafael Bridge Access Improvement Project

To: Ashley Nguyen, Project Manager
Metropolitan Transportation Commission

Dear Ms. Nguyen and the Metropolitan Transportation Commission,

I am writing in support of adding the Richmond-San Rafael Bridge Access Improvement Project to Plan Bay Area and to the 2015 Transportation Improvement Program.

My company has offices in San Rafael, Berkeley, and San Francisco. We have employees who use the Richmond-San Rafael bridge during commute times. I strongly urge you to prioritize opening the 3rd lane(s) on the bridge as soon as possible. I also support adding this priority to the Bay Area Transportation Plan. Let's fix this!

By prioritizing the re-opening of the third lane on the Richmond-San Rafael Bridge during peak evening commute hours, we will make a big difference in cutting traffic, reducing air pollution, and improving the quality of life in the North Bay.

Thank you.
