To whom it may concern,

We are against our rural neighborhood, the Springs Specific Plan, included as one of your 2050 PDAs. The area sits right outside the City of Sonoma's Urban Growth Boundary and is located in a high-fire zone with limited roads for evacuation, two conditions which make it ineligible to become a PDA. High-density housing built here will put us all at risk of becoming fatalities from a wildfire or fires associated with a

future  
earthquake. The  
residents here  
were never  
included in the  
development of  
the Specific Plan  
which is against  
MTC policies of  
public disclosure  
and participation.  
Read the 2020  
Sonoma County's  
Civil Grand Jury  
report and  
findings which  
confirms Permit  
Sonoma's failure  
to include the  
homeowners in  
the development  
of the Springs  
Specific Plan.  
Please right this  
wrong and take  
us out of the Plan  
Bay Area 2050  
Blueprint!

Signed,  
Amanda and Joe
