Name: Suzanne Murray
Email address: [REDACTED]
County of residence: Contra Costa
Comment:
Surely, there are some more strategies that I support.

Need to address the digital divide.
Expand BART to East Contra Costa County and lengthen hours of service (not necessarily bus or BART).
Create a robust ferry service.
Eliminate fresh food deserts.
Support micro-businesses including homebased businesses.
Support maker spaces (for kids, education and hobby level makers).
Support day care for families with young children.
Support afterschool programs.
Better connect the community to job preparedness resources.
Reduce the cost to build ADUs, remodel existing homes.
Support first time home buyer programs.
Increase housing, including market rate and affordable housing.
Facilitate more inclusive communications and engagements through multi-lingual materials (digital and print) and engagement.
