To Whom It May Concern,

I am writing in opposition to Plan Bay Area. From my understanding of the document and the activities it outlines, this is nothing more than unnecessary meddling in the day to day affairs of American citizens. We do not need you to tell us how to live or to spend our taxpayer dollars recklessly or maliciously on either physical or legislative structures intended to curb or eliminate our freedoms and dictate all aspects of living.

You are not an elected body and thus should be withstood by people who are. However, as we have learned throughout this country, our politicians are only concerned with one thing - their job. So, as a taxpayer and concerned citizen I demand that our money be spent on more efficient and appropriate measures such as those that provide better and more affordable housing for middle income earners and better infrastructure across all neighborhoods in the Bay Area.

Shame on you for your deceitful, clandestine and bullying tactics!

Stop intruding on our liberties.

Sincerely,
Joe Paczonay
